### Grammar and Writing Bell-ringer Exercise: Stephen King

*There are five mistakes in the paragraph below. Find them and correct them. Look for mistakes in grammar, spelling, and punctuation.*

Stephen King, known as the "King of Horror," is a famous author who writes exciting and sometimes scary stories. He was born on 1947 in Portland Maine, and he's really good at creating tales that keep readers hooked from the beginning to the end. While he's famous for his scary books like *It*, *The Shining*, and *Carrie*, he also writes other types of stories, like fantasy science fiction, and suspense. People love his books because he's great at making characters people can relate to and plots that keep the reader interested. Stephen King can take everyday situations and turn them into extraordinary and sometimes really scary adventures. Whether it's scary stories or just a good read, Stephen King has lots of books that everyone can enjoy. Hes a giant in the world of books, and his stories are loved by many, even those who don't like horror stories.
